

PC 36 UBS

Make your
voice
heard

The perfect choice for crystal clear VoIP calls and music listening:

The PC 36 USB is a double-sided headset with a detachable, mini USB adapter featuring full stereo sound. The stylish design and comfortable fit makes it an ideal choice for office and home use.

- **Superior acoustics** – The high quality of the USB adapter with integrated sound card ensures the typical outstanding Sennheiser sound, irrespective of the computer you connect it to
- **Excellent voice clarity** – noise-canceling microphone filters background noise out
- **Enjoy listening to music** – speakers providing excellent Sennheiser stereo sound
- **Highly comfortable** – lightweight extendable headband for hours of use in the office and at home
- **Adjustable microphone boom** – easy correct microphone positioning which keeps the speech clear
- **Easy to use** – simply plug'n'play
